

**Personal Profile:**

I am a hard-working individual striving to do the best of my ability, I'm eager to learn new things and complete all tasks to the highest possible standard. I believe that my dedication separates me from the crowd as I'd never let anyone out work me, so that I can prove to myself and others that I am capable of anything.

**Work Experience:****May 2021 - September 2021: The Shed Brothers**

My role included the ground maintenance including painting and building sheds, chopping logs and moving them around the land. From this job I learned dedication as the work was repetitive, this shows my physical and mental determination.

**April 2022 - July 2022: Wheelgate Park**

Being a team member at The Wheelgate park has enhanced my customer service qualities, while working here my role was to operate rides therefore ensure the customers safety is prioritised as well as greeting customers of any age to help meet their individual needs. From working here, I have learnt how to prioritise the customer and how to ensure they have a positive experience.

**December 2022 – January 2023: Relic x Hooked Store**

Working as a Christmas temporary at this vintage clothing store allowed me to experience periods of extreme busyness in order to meet the high demand of customers. I was there to welcome customers into the store encouraging to purchase with us, learning skills such as working at a till and how to cater to customer needs.

**Competencies:**

**Communication** - Working with a variety of customers day in day out has helped improve my communication skills as I am able to recognise that each person has different individual needs. Taking drama at GCSE has helped me develop confidence and encouraged me to become outgoing, which helps in a work setting.

**Independence** - Being an only child with a single mother has helped me adapt to my circumstances and understand the vitality of being independent.

**Aiming High** - I have consistently aimed high throughout school and further education by revising as much as possible so that I can feel proud of myself leading me to get into my dream university.

**Other Interests:****March 2021 – Present: Bodybuilding**

Last year I fell in love with bodybuilding and going to the gym, I strived to have big muscles therefore committed myself to achieving this goal, this kept me active throughout lockdown and has helped me keep a positive mindset. I schedule my time around education so that I can train 5/6 times a week.

**January 2012 – Present: Basketball**

I play basketball for a Mansfield team that plays in both a local and national league. This has developed my teamwork skills as well as leadership as I held the responsibility of being a key player who has led us to many wins.
